

Statement on NABC Championship Basketball Clinics

March 16, 2020 –

To all basketball coaches looking forward to one or more of our Spring 2020 NABC Championship Basketball Clinics –

We are closely monitoring the COVID-19 pandemic out of concern for the health and safety of the attendees, speakers, demonstrators and staff.

In the event that we're unable to host a clinic in any of the planned venues, we will ensure our attendees will receive the same amount of instruction as if they were at the clinic.

Some options may include:

- Transfer the registration to a different clinic at a later date
- Watch a virtual clinic that will be formatted and features expected speakers and similar topics
- Transfer the registration fee to your choice of DVD and/or instant videos
- Regardless of the option, all registered attendees will still receive coaching gifts and clinic discounts as well.

One way or another, we will ensure that you receive the best instruction to help you in your quest to become a better coach.

Thank you for your patience and understanding!
